BEST BET: Race 13 - #9 English Bee

Drawn to the outside, it does seem that this horse has a bit of a class edge in this field. He has tactical speed and should sit just behind the pacesetters. Luis Saez climbs aboard again, and I think should sit a great trip.

LONGSHOT: Race 6 - #5 Capocostello

This horse made his first start in the US last time out, and faced a very tough field. Olympiad came out of that race and won back to back graded stakes. In addition, this horse gets a little more ground to work with, and, given his record in Panama, that should be to his liking. Fausto Gutierrez's horses have been running well this winter.
