

GULFSTREAM PARK

Friday, June 2 By Samantha Perry (check Twitter @samanthaperry for updates)

Race 1: Five year old **8 HUSTLE QUEEN** looks like the one to beat making her second start after being on the bench for over one year and is drawn perfect for this sprint. The **7 CAJUN FANTASY** look to be the speed of this but it is hard to wire the field on tapeta. The **3 MACASSA** is exiting a race that produced 2 next out winners.

SELECTIONS: 8-7-3-4

Race 2: Two year old fillies looking to graduate and the **2 IT'S ONLY WORDS** is making her first start and love the gate drill 5/19. The **3 SUN AZTECA** drew the dreadful 1 post last out and can improve second start. The **6 MIST** was closing quick on her debut and will love the extra 1/2 furlong today.

SELECTIONS: 2-3-6-5

Race 3: The **6 UNCLE B** had no chance last out against some nice stakes winning turf sprinters and is now facing a much softer level. **3 ADIOS ASHER** made his first start off the claim for D. Hurtak last out and will be dangerous back on the tapeta. **1 WORA** has a layoff to answer to but has the best speed figures than anyone in this field.

SELECTIONS: 6-3-1-5

Race 4: The **1 SASSY BUT PRECIOUS** drops over half in claiming tag and returns to the dirt, a move the barn has a lot of success in doing. The speedy **4 TROTGING GEAR** cuts back in distance but I wouldn't trust her at too short of a price. The **9 I LOVE IRELAND**

is making only her 2nd start on the dirt but should appreciate the 1 turn mile.

SELECTIONS: 1-4-9-8

Race 5: A fresh horse in a race like this has an advantage and the **7 SPIRIT OF POWER** fits that bill after the connections gave her some time after the claim. The **8 MAJOR PRYCE** drops to the lowest tag in her career and blinkers come off after the failed try with them on last out. The **6 EXTRA INDY** is another class dropper after facing tough opponents her last two tapeta tries.

SELECTIONS: 7-8-6-9

Race 6: Pace makes the race here and the **6 ASTRAL WEEKS** looks like he could take them gate to wire here. The **1 THE TWINS SNEAKERS** is fresh coming into this spot and first off the claim for trainer Sandino Hernandez Jr. The **2 GRAND PLAYER** should love getting back to the 1 turn mile.

SELECTIONS: 6-1-2-7

Race 7: The **7 BULLOCK** is back down to a softer level after two even efforts against stronger. The **3 LIGHT AND PATH** runs faster numbers on the turf but classes up with these fillies. Maiden victor last out **6 WILD-CAT STAR** was all out to win but ran a solid speed figure.

SELECTIONS: 7-3-6-4

Race 8: Huge MSW dropper **2 PEACH NECTAR** looks like the one to beat for strong connections. The **4 GET KHOZY** is getting a

little too cozy running underneath but also is dropping to claiming ranks. The **8 FAR FROM HOME** is exiting 2 turf routes but has speed to put him in the mix early.

SELECTIONS: 2-4-8-6

Best Bet: R1: #8 Hustle Queen

- Second start off the bench
- Drawn perfect to sit stalking trip

Longshot: R2: #2 It's Only Words

- Solid work pattern upon debut
- First foal from mare that Ron Spatz trained in 2019
