

SANTA ANITA TODAY

BY GEORGE ORTUZAR

I have my preliminary selections here where we will use Thorograph (TG) Numbers and Data as the main criterion for our analysis.

Race 1 5 - 1 - 6

#5 Baldoro – Has faced tougher in his short career. His days as a maiden are numbered. Solid TG numbers on the turf sprinting point to this one as the one to beat. This is his level and I expect him to win today. **#1 The Key Is Unity** – Just ran the best race of his short career. Berrios was aboard that day and is on again today. A repeat of his last will put him right there at the wire. Don't dismiss his chances today. **#6 Birth of Cool** – I thought he would run better last time out since it was his first ever in the MCL ranks. I think there is more in the tank.

Race 2 3 - 1 - 6

#3 Shady Empire – This is a highly competitive race. Make sure you get value. This guy faded in his last race but just might get brave on the lead today. **#1 Hidetheloot** – Wow! That was some race last time out. Dramatically better than any of his previous races. I am incredibly disappointed that Orduna-Rojas does not retain the mount. Of course, I don't know the details of the jock switch but...the optics are not great. Still the horse did look good in that win. **#6 Catbernay** – Closed nicely last time out at Los Al. Today's added distance should help.

Race 3 4 - 5 - 6

#4 Kitten's Kid – The two best races on the pp's belong to the two right next to each other. This cat earned the best TG number when breaking her maiden over at GG. Miyadi the Master should have her set to go. **#5 Unwritten Code** – This one also ran a good race breaking her maiden back in January. She has been on the bench for about 6 months. Her best puts her in contention for and Unwritten Kitten exacta. **#6 Wrong Turn Cupid** – She has only started 3 times and a couple of them were pretty good. She has upside.

Race 4 5 - 1 - 4 Best Bet of the Day!

#5 Doris Mae – I absolutely LOVE the work pattern leading up to this filly's return. She was well regarded in her lone race back in the summer of 21. I am expecting an explosive effort today and she encounters a mediocre field. Let's make her my best bet of the day! **#1 Tecumseh Caroline** – She looks best of the rest. It really looks like these should come in 1-2. Let's make this an ice-cold exacta as my man Dave Weaver would say. **#4 A Little Bit Crazy** – Returns to the dirt after some nice turf tries. She can round out this trifecta.

SANTA ANITA TODAY

BY GEORGE ORTUZAR

Race 5

9-3-5

#9 Oncoming – Vasquez has been riding fantastically this meet. He is our leading rider, and he lands here on the runner with the best overall TG numbers. The post is the only drawback. Our hot jockey should be able to overcome that slight obstacle. **#3 If I'd Told You** – This one always runs good races that earn solid TG numbers. The only thing is that he always encounters trouble in his races. He is a bad luck magnet. He is due for a clean trip and if that happens, he will fight to the end. **#5 Arrest** – This field is completely void of early speed. The only one that has shown speed in the past is the #1 horse. But he just hasn't been in good form lately. This one was just claimed, he has been sprinting and now stretches out and hits the grass. Dylan's new acquisition should be winging it early and could take them wire to wire.

Race 6

3-7-8

#3 Smiling Princess – Another tough race to decipher. Let's go with the hot filly who has now won two races in a row and both of them daylight wins. The hat trick is well within reach. **#7 Silver Lightning** – She beat the Princess back on August 12th. No doubt there is talent here and she is one of the many in here that can win. **#8 Funkhouser** – Won for fun last time out. She was claimed out of the race by top trainer Miller. This is a tough jigsaw puzzle to try to put together.

Race 7

2-3-8

#2 The Great Haynes – This is her third race after a 7-month layoff. That is often a runner's best. Speed is her game and I expect her to show it. She should definitely be a price so let's get lucky! **#3 Queen Molotov** – Comes in with the best last race TG number. She has also been working up a storm since that race. She will probably be your favorite and deservedly so. **#8 D's Lovely Sophia** – She has some back numbers that would make her competitive against these.

Race 8

8-4-7

#8 Mongolian Ford – It has been about 6 months since we have seen this guy. This one is a bit of a conundrum. Certainly, has run a few races that would clobber this bunch. He is also blessed with excellent early speed. And his connections are first rate. But! He is taking a very suspicious drop in class after that poor performance back in April. If he returns anywhere near his old self, he will annihilate this bunch. **#4 Granada Flavor** – This one is much more reliable than the top pick. His last three efforts were quite good for the level. This is where he fits and a 1-2-3 finish should definitely be the result for him. **#7 Social Red** – His last dirt race was way good enough to compete here. This race comes with a lot of question marks. Tread lightly.

Race 9

1-4-7

#1 Annaghlasa – Comes off the bench for the Sultan of Sod who names our leading rider. This filly has excellent early speed and could lead them all on a merry chase. **#4 Buzz of New York** – Phil trains this filly as well. And he names our second leading rider. It sure looks like D'Amato has pocket aces here in the finale. **#7 Glenall** – Returns to Cali after competing in a \$471K stakes race over at KD. The class relief has to help and Glenall can be used in all the slots.

SANTA ANITA HOY

POR GEORGE ORTUZAR

Tengo mis selecciones preliminares aquí donde usaremos Thorograph (TG) Numbers y Datos como criterio principal para nuestro análisis.

Carrera 1 5 - 1 - 6

#5 Baldoro – Se ha enfrentado a más duras en su corta carrera. Sus días como maiden están contados. Los números sólidos de TG en el sprint de césped apuntan a este como el que hay que batir. Este es su nivel y espero que gane hoy. **#1 The Key Is Unity** – Acaba de correr la mejor carrera de su corta carrera. Berrios estaba a bordo ese día y está de nuevo hoy. Una repetición de su último lo pondrá justo allí en el alambre. No descartes sus oportunidades hoy. **#6 Birth of Cool** – Pensé que correría mejor la última vez, ya que era su primera vez en las filas de MCL. Creo que hay más en el tanque.

Carrera 2 3 - 1 - 6

#3 Shady Empire – Esta es una carrera altamente competitiva. Asegúrese de obtener valor. Este tipo se canso en su última carrera, pero podría ser valiente en el liderato hoy. **#1 Hidetheloot** – ¡Guau! Esa fue una carrera la última vez. Dramáticamente mejor que cualquiera de sus carreras anteriores. Estoy increíblemente decepcionado de que Orduna-Rojas no conserve la monta. Por supuesto, no conozco los detalles, pero ... La óptica no es genial. Aún así, el caballo se veía bien en esa victoria. **#6 Catbernay** – Atropello muy bien la última vez en Los AI. La distancia adicional de hoy debería ayudar.

Carrera 3 4 - 5 - 6

#4 Kitten's Kid – Las dos mejores carreras de los pp's pertenecen a las dos una al lado de la otra. Este gato obtuvo el mejor número TG al romper su maiden en GG. Miyadi el Maestro debería tener lista.

#5 Unwritten Code – Este también corrió una buena carrera rompiendo su maiden en enero. Ella ha estado en el banquillo durante unos 6 meses. Su mejor momento la pone allí. Esto puede ser un Unwritten Kitten exacta. **#6 Wrong Turn Cupid** – Ella solo ha corrido 3 veces y un par de ellas fueron bastante buenas. Ella tiene ventaja.

Carrera 4 5 - 1 - 4 ¡La mejor apuesta del día!

#5 Doris Mae – Me encanta como ha estado trabajando para el regreso de esta potra. Fue bien considerada en su única carrera en el verano del '21. Espero un esfuerzo explosivo hoy y ella se encuentra con un grupo mediocre. ¡Hagamos de ella mi mejor apuesta del día! **#1 Tecumseh Caroline** – Ella se ve mejor que el resto. Realmente parece que estos deberían venir en 1-2. Hagamos de esto una exacta helada como diría mi hombre Dave Weaver. **#4 A Little Bit Crazy** – Regresa a la tierra después de algunos buenos intentos de césped. Ella puede completar esta trífeta.

Carrera 5 9 - 3 - 5

#9 Oncoming – Vásquez ha estado montando fantásticamente este encuentro. Es nuestro piloto líder, y aterriza aquí en el corredor con los mejores números generales de TG. El post es el único inconveniente. Nuestro jinete caliente debería ser capaz de superar ese pequeño obstáculo. **#3 If I'd Told You** – Este siempre corre buenas carreras que ganan números de TG sólidos. Lo único es que siempre encuentra problemas en sus carreras. Es un imán de mala suerte. Se le debe un viaje limpio y si eso sucede, luchará

SANTA ANITA HOY

POR GEORGE ORTUZAR

hasta el final. **#5 Arrest** - Este campo está completamente vacío de velocidad temprana. El único que ha mostrado velocidad en el pasado es el caballo #1. Pero simplemente no ha estado en buena forma últimamente. Este acaba de ser reclamado, ha estado corriendo corto y ahora se estira y trata la hierba. La nueva adquisición de Dylan debería estar volando temprano y podría llevarlos punta a punta.

Carrera 6 3-7-8

#3 Smiling Princess - Otra carrera difícil de descifrar. Vamos con la potra caliente que ahora ha ganado dos carreras seguidas y ambas fácilmente. El hat trick está al alcance. **#7 Silver Lightening** - Ella venció a la Princesa el 12 de agosto. Sin duda hay talento aquí y ella es una de las muchas aquí que puede ganar. **#8 Funkhouser** - Ganó por diversión la última vez. Fue reclamada fuera de la carrera por el entrenador Miller. Este es un rompecabezas difícil de armar.

Carrera 7 2-3-8

#2 The Great Haynes - Esta es su tercera carrera después de un paro de 7 meses. Eso es a menudo la mejor de los corredores. La velocidad es su juego y espero que lo demuestre. Ella definitivamente debería ser un precio, ¡así que tengamos suerte! **#3 Queen Molotov** - Viene con el mejor número de TG de la última carrera. Ella también ha estado trabajando como una tormenta desde esa carrera. Ella probablemente será tu favorita y merecidamente. **#8 D's Lovely Sophia** - Ella tiene algunos números que la harían competitiva contra estas.

Carrera 8 8-4-7

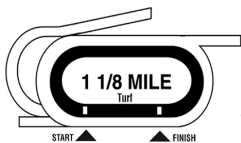

#8 Mongolian Ford - Han pasado unos 6 meses desde que vimos a este tipo. Este es un enigma. Ciertamente, ha corrido algunas carreras que golpearían a este grupo. También está bendecido con excelente velocidad temprana. Y sus conexiones son de primera clase. ¡Pero! Está tomando una caída muy sospechosa en clase después de ese bajo rendimiento en abril. Si regresa cerca de su antiguo, aniquilará a este grupo. **#4 Granada Flavor** - Este es mucho más confiable que la primera elección. Sus últimos tres esfuerzos fueron bastante buenos para el nivel. Aquí es donde encaja y un final 1-2-3 definitivamente debería ser el resultado para él. **#7 Social Red** - Su última carrera de tierra fue lo suficientemente buena como para competir aquí. Esta carrera viene con muchos signos de interrogación.

Carrera 9 1-4-7

#1 Annaghlasa - Sale del banquillo para el Sultán de Sod que nombra a nuestro piloto líder. Esta potra tiene excelente velocidad temprana y podría llevarlos a todos de punta a punta. **#4 Buzz of New York** - Phil entrena a esta potra también. Y nombra a nuestro segundo jinete líder. Seguro que parece que D'Amato tiene ases de bolsillo aquí en el final. **#7 Glenall** - Regresa a Cali después de competir en una carrera de apuestas de \$471K en KD. El alivio de clase tiene que ayudar y Glenall se puede usar en todas las ranuras.
