Best Bet: R6 – 3 - Ocala Rocket is cutting back to a sprint on the Tapeta after setting the pace and fading behind four next-out winners in a monster key route race on the turf. Mott is 30% with the surface switch.

Longshot: R11 – 8 – Chick's Shadow, who beat many of the main contenders in the field going long on the Tapeta last out, will try to the same on the grass. The four-time turf winner should sit the trip stalking the speed.
